Art Unit: 2772

REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: none of the cited prior art shows a method and system for optimizing an expression tree for compositing an image, the expression tree including a plurality of nodes, each node having at least either a graphical element or a graphical operator and a region of the image represented by the node comprising a step/means for determining, in accordance with a set rule for the graphical operator, a final region representation to be returned to the parent to form an optimized expression tree in which the final region representation substantially represents an unobscured portion of first region represented at the parent node as now claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. **Any response to this final action should be mailed to:**
